SANTA ANA, CALIFORNIA, TUESDAY EVENING, MARCH 20, 1917.

50 CENTS PER MONTH

STATE OF WAR EXISTS, SAY PRESIDENT'S CHIEFS

WATER CONCERNS TO PROFIT BY LEASING OF CLAY LANDS

S. A. Valley Irrigation Company and Anaheim Union Close 60-Acre Deal

RIVER BOTTOM WILL YIELD BIG REVENUE

Riverside Portland Cement Company Said to Be Interested

The Santa Ana Valley Irrigation Company and the Anaheim Union Water Company have developed another source of income.

It has been discovered that some of their river bottom land has valuable clay deposits, and it is from this that they will derive the revenue.

The development board has just concluded arrangements for leasing about sixty acres to Ed Fletcher, a big cement operator of Southern California.

It is believed Fletcher represents the Riverside Portland Cement Company at Riverside and that the clay will be used in making cement.

Fletcher was given a ten-year lease, he to pay 5 cents a ton for the clay, the minimum for the six months between the first of next June and December 31 to be \$50 per month and after that date \$100 per month for the balance of the life of the agreement.

\$295 BALM ASKED AS RESULT OF GERMAN FRAU THROWING BRICK

LOS ANGELES, March 20.—It is bad enough to have to be an auditor to a word battle between one's Russian husband and a German woman over the merits of the two armies, but when the brick thrown by the German woman at the Russian husband misses him and hits his wife in the chest, damages are in order. At least so thinks Mrs. Marie Desostoff, who alleges these things in a \$295 damage suit brought today against Mrs. Miller, alleged erratic brick thrower.

L. A. MAN GETS BLOW ON HEAD, JURY AWARDS HIM TEN SIMOLEONS

LOS ANGELES, Mar. 20.—Even a bump on the head has a value in these commercialized days. Ralph Bacon, who sued the owners of an automobile striking his wagon for damages as a result of the blow on his head, was awarded \$10 by a Superior court jury.

CALIF. CIRCUS FOLK MOURN DEATH OF L. A. MAN SLAIN BY BEAR

LOS ANGELES, Mar. 20.—Circus people from every winter training quarters in California are today telegraphing condolences over the death of Capt. Jack Bonevita, animal trainer killed by an angry polar bear last night. All of these circuses will send delegations to attend the funeral of the popular showman who met such a tragic end.

Bonevita, who has a wide reputation as an animal trainer, went alone into the training cage at the Bostock Arena with Jake, a huge polar bear, not waiting for the armed guard who usually sits close to the bear. The bear became angered at Bonevita's attempt to work it in a trick, and turned on its trainer, knocking him down. In the battle following, one-armed, the man was no match for the angry beast, and by a prominent club woman, who is prominent in the movement, says this would be a great advertisement for the city as well as a real money saver.

SANTA MONICA FOLK URGE SANTA MONICA MUNICIPAL CAFETERIA

SANTA MONICA, Cal., Mar. 20.—Swat the high cost of self-served food. Lighten the burden of the tray-carrier by lopping a few superfluous cents off the cost of bread, butter, pastry and other viands.

This is the motto the city commission is asked to take up, today, by local people who ask the establishment of a municipal cafeteria. Miss Adelaide Ramsey, a prominent club woman, who is prominent in the movement, says this would be a great advertisement for the city as well as a real money saver.

Bar Beer Drinking At County Park, Is Custodian's Plea

Supervisors Refer Matter to District Attorney For An Opinion

Declaring that bad examples were being placed before young people by parties who go to Orange County Park and serve beer with their lunches, Sam King, custodian of the park, today asked the Board of Supervisors if anything could be done to stop the practice.

The matter was referred to the district attorney for an opinion. "A majority of the people of the county are opposed to liquor," said King, "and I believe the majority should rule. It would not be so bad if the parties using the liquid refreshment with their lunches would go to a quiet nook in the park where they would not be in view of the young people."

Supervisor Leck said that he had heard considerable complaint about dancing in the park pavilion on Sundays.

In the discussion following it was the general view that dancing should be no more objectionable than playing ball or other sports engaged in by many who visit the public pleasure grounds.

S. A. SANS AUTO AMBULANCE, IS REVEALED

The accident Sunday which resulted in the death of J. A. Crawford at Capistrano brought to light the fact that Santa Ana is without motor ambulance service and that the county is practically without such a service.

Waffle and West have discontinued their automobile ambulance service and from the experience had Sunday with the county ambulance on the run to Capistrano, it is not dependable. The machine caught fire twice on the down trip and occasioned delay in reaching the injured man.

The chassis is that of a car used by the County Highway Commission during the building of the highways. The ambulance body is one that was formerly used on a horse-drawn vehicle.

Some delay in getting started Sunday was occasioned by a driver for the county ambulance not being available at the moment wanted. Deputy County Jailor Eells is supposed to drive the machine when it is called for. He is also on duty at the jail. It happened that the call Sunday came when Eells was at the jail alone, it being Jailer Lacy's afternoon off. Harry Kenyon, an Elk, was at the hall and was pressed into service as driver.

T. B. Talbert, chairman of the Board of Supervisors, stated today that arrangements have been made for keeping a driver at the county garage all the time hereafter, and that it would prevent the recurrence of the situation of Sunday.

An hour and a half elapsed between the time of the receipt of the telephone request from Capistrano for an ambulance and the time it arrived at Capistrano.

BRITAIN MOVES TO FIX IRISH QUESTION

LONDON, Mar. 20.—Chancellor of the Exchequer Law today told Commons that the government is considering the best means of settling the Irish question, including the suggestion that he preside over a conference of Dominion delegates at an imperial conference.

GRANDSON OF CYRUS K. FIELD INVENTOR OF AUTOMATIC TORPEDO

WILLSTON, N. D., March 20.—Charles J. Field, grandson of Cyrus K. Field, the man who laid the first transatlantic cable and turned it over to the American government, has invented a torpedo, designed to guide itself to the ship by magnetism, and remain there until its explosion, which is controlled by a timing device. Government tests credit the torpedo with seven out of eight perfect explosions.

M. D. GEM THEFT VICTIM
RIVERSIDE, Mar. 20.—Police of this city today are seeking for clues of the burglar who entered the home of Dr. J. H. Holland while the family was away and got away with \$500 worth of jewelry and a quantity of clothing.

ASSEMBLY O. K.'S MEASURE GIVING KELP CONTROL TO STATE

Bill Handled By Assemblyman Burke and Endorsed By C. of C. Step Ahead

(Special to the Register)
SACRAMENTO, Mar. 20.—A double victory today was scored in the Assembly by Orange county when a bill which provides for the turning of the entire control of kelp over to the State Fish and Game Commission passed the Assembly. The bill was handled by Assemblyman J. C. Burke. It had the recommendation of the legislative committee of the Associated Chambers of Commerce of Orange County.

The kelp bill as it passed the Assembly provides for a tax of a cent and a half per wet ton on all kelp cut, also provides that the kelp must be raised under the supervision of the Fish and Game Commission.

An attempt that was made to have the income from the kelp tax turned over to the state school fund failed.

Representatives from the citrus districts today are pleased over the defeat yesterday of the bill abolishing private employment bureaus.

Assemblyman Burke has received a wire from the Orange County Medical Association favoring the vivisection bill, which is being opposed by Dr. H. M. Robertson.

T. E. STEPHENSON.

ROMINGER BILL SUCCESS IN SENATE FORECAST

SACRAMENTO, Mar. 20.—All indications today point to the passage of the Rominger anti-saloon, anti-whisky bill by the Senate. It was reported on the floor of the Senate today by the public morals committee with six members recommending that it be passed and only one that it be defeated. Luce, Evans, Chandler, Brown and Sharkey recommended that it be passed. Flaherty reported adversely while Slater declined to vote.

It being conceded generally that the bill will pass the Senate, speculation is now rife as to how it will fare in the Assembly.

WILSON REPLIES TO CARRANZA

WASHINGTON, Mar. 20.—While rejecting Carranza's peace pleas and proposed embargo on allied munitions, President Wilson in a note dispatched today renews his suggestions of neutral co-operation for halting war.

The note recalls the German-Mexican plot, which Carranza so far has never discovered. The note says that this and the present German relations make it impossible for America to participate in neutral mediation.

ONIONS AT CENT PER POUND, STOCKTON MAN OFFERS ANGEL CITY

LOS ANGELES, Mar. 20.—The sojourn of the onion in the luxury class is about to come to a sudden end, if an offer made to the municipal markets of Los Angeles by Frank S. Sloan of Stockton is accepted. Sloan, who is a seed grower, today offers to furnish the markets with a carload of the fragrant vegetables daily from July 1 to January 1, for a cent a pound, c. o. b. Stockton. The city is considering accepting the offer to guarantee a year-round supply of reasonably priced onions.

PLAN FUNERAL RITES FOR AMERICAN SUGAR BEET COMPANY CHIEF

OXNARD, Mar. 20.—Plans for the funeral of Major J. A. Drifill, general manager of the American Beet Sugar Company in Southern California and for years active in the development of Los Angeles and Ventura counties, were being tentatively arranged today.

Major Drifill was asleep on the front porch of his home here when death came. Major Drifill was born in Rochester, N. Y., September 24, 1859. He was manager of the American beet sugar factory here from the time of its establishment in 1898. He was one of the prime movers in Southern California in the introduction of beet-sugar raising on a scientific basis.

TO ASK CONGRESS FOR MEASURE REIMBURSING RAILROADS

Information Is Given United Press By Interstate Commerce Official

WASHINGTON, Mar. 20.—Congress, at the coming extra session, will be asked to pass a law granting increased freight and passenger rates to the railroads to reimburse them for increased wages they will be compelled to pay under the Adamson eight-hour law, prominent railroad heads and officials of the Interstate Commerce Commission told the United Press today.

"Since the supreme court has decided that Congress has the plenary power to fix wages for the trainmen, then applying the same rule, it has the right to legislate railroad rates," a prominent government official said.

The fact that Congress can dispose of the increased rate problem in a more speedy and satisfactory manner than the Interstate Commerce Commission is said to be the reason why the matter will be put up to Congress.

The eight-hour commission created by the Adamson act to investigate the effect of the eight-hour law on the railroads is powerless to grant increased rates. The only power this commission has is to determine how much the railroads will have to pay out in increased wages and the general effect that it will have on the roads.

Complete proof of Germany's bold affronts on the high seas is now before this government—an imposing array of war acts against the United States. The toll in two weeks amounts to four American ships and more than a score of American lives sacrificed through utter disregard of the rights of this country.

From all over the country telegrams today continued to pour into the White House demanding war. Pacifists, for the first time since the break in diplomatic relations with Germany, are conspicuously silent or are admitting that the end of patience has been reached.

U. S. TO RECOGNIZE NEW RUSSIAN RULE

WASHINGTON, March 20.—The government today is preparing to recognize the new Russian regime and will send a greeting as soon as Russia is reorganized. The American ambassador reports that the army and navy support the new government.

BOB FITZSIMMONS IN L. A. IS CHALLENGER FOR PREACHING TITLE

LOS ANGELES, Mar. 20.—"I'm what you might call a challenger for the preaching championship," said Lanky Bob Fitzsimmons today, discussing his wife's desire to have him join her in evangelistic work. The former heavyweight champion, who is filling a theatrical engagement here, states that he has about decided to join his wife when his present contract expires next month.

"I've been a champion in everything I've tackled," said Fitzsimmons. "This includes both blacksmithing and prize fighting. I guess I can keep up the record even if I go into the preaching game."

EXPECT REICHTAG TO CONSIDER PLANS TO INCREASE BIRTH RATE

BERLIN, March 20.—One of the biggest problems confronting the Reichstag, which reconvened here today is that of increasing the birth rate in Germany. Many radical proposals have been made and the government will sift them all.

The committee of 28 appointed to investigate this matter is expected to report. The more comprehensive proposals include economic steps to make earlier marriages possible; higher wages, regulation of vice and the limitation of diseases, making marriage easier.

Other proposals include heavy bachelor taxes, plural voting rights for men with large families and money premiums for mothers bearing many children.

Another plan is to make professional education courses shorter so young lawyers, doctors and professional men can get established and married before their 25th or 30th year.

'BRING YOUR GIRL' CLUBS LAUNCHED FOR TOMMIES IN LONDON

LONDON, March 20.—A Conan Doyle, creator of Sherlock Holmes, has convinced London that there are too many flappers on the streets for the entertainment of soldiers and he has engineered the establishment of a number of "Bring-Your-Girl" clubs where the soldiers and their flappers can go and have a good time.

Lady Betty Balfour conceived the plan and a number of clubs have been organized. Lady Emmett was first to respond, equipping two clubhouses. Each has a girls' clubroom, a men's smoking room, a billiard room and two recreation rooms.

Declaration Hinges On Fate Of First Armed Ship In Zone

WASHINGTON, March 20.—It was apparent this afternoon that an actual declaration of war by the United States against Germany depends upon the fate the first armed merchantmen encounters when entering the Kaiser's "death zone."

It is declared to be improbable that the sinking of the three ships Saturday will cause a declaration of war.

Though prepared for hostilities, which are now deemed inevitable, President Wilson is not inclined to force the situation.

Certain members of the cabinet today openly stated their belief that a state of war exists.

WILSON SOON TO TELL U. S. GERMAN STATUS

BY ROBERT J. BENDER
(United Press Staff Correspondent)
WASHINGTON, Mar. 20.—President Wilson is expected to outline the real status of relations between the United States and Germany within twenty-four hours as his next immediate step in preparing the people and the country for possible—even probable—hostilities.

A state of war now exists between the United States and the imperial German government, it is taken for granted. There are few who believe the President will fail to acknowledge this in his first utterance.

Having moved rapidly yesterday in speeding up all war preparations, especially as regards sea forces, the President worked late into the night in his study. Today he meets with his cabinet.

Complete proof of Germany's bold affronts on the high seas is now before this government—an imposing array of war acts against the United States. The toll in two weeks amounts to four American ships and more than a score of American lives sacrificed through utter disregard of the rights of this country.

From all over the country telegrams today continued to pour into the White House demanding war. Pacifists, for the first time since the break in diplomatic relations with Germany, are conspicuously silent or are admitting that the end of patience has been reached.

BUT 2 INTERNEED TARS MISSING

PHILADELPHIA, Mar. 20.—After a careful re-check, the police today say that ten German sailors are at large, following the escape last night. It is believed that local German sympathizers assisted in the movement to liberate the men.

WASHINGTON, March 20.—Only two men are missing from the interned German ships at Philadelphia, according to the third of a series of messages to the navy department today.

These men are Lieut. Cortis and Machinist's Mate David Schroeder, who are believed to have been drowned.

The other men, caught in the waters, were nearly frozen to death.

L. A. WATCHMAN FOUND LOCKED IN CLOSET, CLAIMS THUG ATTACK

LOS ANGELES, March 20.—Found locked in a closet in a Tenth Avenue residence early today, H. R. Coohler, a private watchman told the police that two masked men covered him with revolvers, made him accompany them into the house, took his gun and money, and locked him in the closet while they robbed the house and escaped.

PLUMP, SENTIMENTAL COEDS IN WISCONSIN UNIVERSITY SCARCE

MINNEAPOLIS, Minn., March 20.—Of 2,000 coeds at the University of Minnesota, there is not one plump, sentimental girl. This was revealed today, after managers of the Sophomore Vaudeville asserted they had sought in vain.

SAYS HE CAN FLY TO EUROPE IN 40 HOURS

ST. PAUL, Minn., March 20.—Paul Rickel, 23, today claimed that he can fly across the ocean in forty hours by using his engine acrobatic oil formula he claims to have perfected. He has sent his formula to the United States government as a gift. Whether it has been tested is not known.

SHIP LANES TO BE GUARDED BY U. S., BRITAIN AND FRANCE, IS PLANNED

Diver Menace to Be Brought To Yankee Shores, Navy Men Believe

WORK ON 40 U-BOAT CHASERS BEGUN TODAY

Government Departments Are Buzzing With Martial Preparations

BY CARL D. GROAT
(United Press Staff Correspondent)
WASHINGTON, Mar. 20.—The United States, Great Britain and France will join in guarding the transatlantic ship lanes against German U-boats, if present government plans materialize.

The administration expected to begin today the work of informally negotiating with these nations. This probably will be undertaken through the State Department and the British and French embassies here.

With its proposed big fleet of patrol and chaser boats, plus larger navy vessels, the United States will be in a position to offer protection to commerce off the American coast, while Great Britain and France will be expected to reciprocate in the barred zone.

Navy men believe that the submarine menace may be brought directly home; that feasts such as the U-53 performed off Nantucket last summer will be repeated.

Repush Preparations
Navy and Army departments are buzzing with preparation. The navy bears the brunt of the work, but under the surface the army has shaped its plans whereby it can call out the national guard anew and also provide sufficient officers for the training of a half million men.

The New York Navy Yard began work today on forty submarine chasers, hastily ordered, while tomorrow bids will be opened for 200 or more 110-foot speed boats, available for coast patrol and submarine chasers.

Nothing will be permitted to stand in the way of hastening navy preparation. The eight-hour law has been cast aside and if commandeering is needed it will be undertaken.

Mobilization of the Atlantic fleet and of the naval militia has been considered for two weeks or more and it may be necessary to accomplish this before long.

The intenseness of international affairs has supplanted both army and navy recruiting.

The navy now has 66,000 men, though it still must raise about 27,000 more. Early graduation of two Annapolis classes will provide officers for the untrained.

ASSEMBLY O. K.'S BILL FIXING COUNTY LINES
SACRAMENTO, March 20.—The assembly today passed the bill putting the San Bernardino-Kern county boundary where it was before San Bernardino claimed that it should be two miles in Kern county. Three towns in the strip, "dry in San Bernardino," are now "wet in Kern."

Knight introduced a bill to fix the Riverside-San Bernardino line and put Blythe Junction definitely in San Bernardino county.

The assembly passed a bill permitting the supervisors to levy a special tax for movies in school work.

TRAFFIC COMMISSION QUESTION STIRRING CITY OF RIVERSIDE

RIVERSIDE, Mar. 20.—Traffic and transportation features of the city government are taking ten times the amount of time to handle as formerly and as a result the question of establishing a transportation or traffic clerkship or commission to take care of this greatly increased work is being agitated.

COZAD BUYS ORANGE STOCK

W. J. Cozad of this city has purchased the E. B. Peers Company shoe and furnishings stock at Orange. Hemet acreage figured in the deal, it is stated.

All of the Egg

If you are making a cake which calls for only the whites of eggs, make cookies which call for yolks; they will keep and you will have cake sufficient to last for some time.

News From Huntington Beach

MAY ADVERTISE AGAIN AS BOND SALE FAILS

Ocean Avenue Improvement Is Held Up As Syndicates Are Chary of Buying

HUNTINGTON BEACH, Mar. 20.—On account of difficulty in disposing of the Ocean Avenue improvement bonds it is possible that L. G. Garmey who was awarded the contract, will ask the city trustees to cancel the contract and re-advertise. No reason is assigned for the failure of the bond syndicates to take up the bonds. The probability is that the trustees will comply with the request of the contractor and re-advertise.

The city trustees have several matters of more or less importance that will have to come up for action at an early date. They have been before the board for some time but action has been delayed. One of these matters is the municipal ownership of the water system combined with the ownership of ocean frontage. Another is a proposed tax which has been discussed at various times, objection having been made to the coming in of fruit peddlers and others who undersell local merchants and so get the business.

Mrs. R. E. Taylor of Creston, Iowa, is the guest of Mrs. Julietta and Miss Ethylne Young on Fourteenth street.

MOTHER! GIVE CHILD 'SYRUP OF FIGS' IF TONGUE IS COATED

If Cross, Feverish, Sick, Bilious, Clean Little Liver and Bowels

—Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, mother—See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages, for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.—Advertisement.

'PADDY'S DAY' PARTY FOR EIGHTH GRADERS AND TEACHERS GIVEN

HUNTINGTON BEACH, Mar. 20.—Miss Miriam Paine entertained her classmates and teachers of the Eighth grade at her home on Palm avenue on Friday evening. The affair was a "Paddy's Day" function and decorations were in green to correspond with the Irish spirit. Numerous games were played. One of these was a flag search which was conducted with musical accompaniment. The prize to the person finding the most flags consisted of a large drawing of a big, fat porker, named Patrick, which was pinned on the back of the successful individual. Kissing the Blarney stone opened the fun of the evening. There was also a guessing game in which green formed a portion of each answer. The prizes in this were two, one for the boys and another for the girls. The girls' prize was a miniature chalice which, when drawn out proved to be a handsome green fan. The boys' prize was a miniature dress hat, green in color, filled with small green candies. Ice cream and cake were served as refreshments. Among those present were Prof. and Mrs. H. Campbell, Prof. Franklin E. Skinner, mother and sister, Misses Ruth Hill, Josephine Perrine, Elsie Lake, Lola Criley, Audra Brunton, Edwin Wells, Margaret French, Rache, Elton, Marie Kaspar, Misses Archie Woodington, Edward Bloomers, Charles Bickmore, Francis McElfresh, Loomis Johnson, John Devine, Teddy Bushard, Lyndon Wells, Oscar Matthews, Ivan Brunton, Harold Fink, Gordon Talbert, Avery Rensick and Arthur Johnson.

The music department of the high school gave an informal recital Thursday afternoon of last week in the music rooms. Miss Douthett was in charge. A number of the mothers and friends of those who took part were present to enjoy the affair.

A St. Patrick's dance was held at Stewart's hall Saturday night with a good attendance.

Mr. and Mrs. Andrew Shroesbee have returned from Alhambra where they were the guests of Mr. and Mrs. J. J. Martin for several days last week.

THIRD OF SERIES OF SOCIAL DANCES HELD AT HUNTINGTON INN

HUNTINGTON BEACH, Mar. 20.—The third in a series of social dances was given at the Huntington Inn Wednesday evening by John P. Moore, Jesse A. Stewart and Leon Yale. Those present were, Mr. and Mrs. John P. Moore, Mr. and Mrs. Jesse A. Stewart, Mr. and Mrs. T. B. Talbert, Mr. and Mrs. C. G. Boster, Mr. and Mrs. L. A. Lawton, Mr. and Mrs. Homer French, Mr. and Mrs. Gale S. Bergey, Mr. and Mrs. Max Jones, Misses Mildred Yale, Flora Hill, Hazel Harding, Julia French, Mary Nelson, Amy Thompson, Hazel Rennie, Fern Irwin, Juanita Kutzner, Hazel Horn, Mrs. Roy Labadie, Messrs. Leon Yale, Dean Culver, C. S. Huntington, S. Floyd Keener, Roy Shelton, Wesley Yale, Carlos Rigdon, Elson Conrad.

Wednesday evening of this week the regular monthly card party of the Woman's Club will be held at the club house. The committees in charge are, Refreshments, Mrs. W. E. Gerhart, Mrs. S. A. Moore; Cards, Mrs. G. A. Shank; Tables, Mrs. Leonard Obarr; Decorations, Mrs. C. R. Stanford, Mrs. V. Huston; Tickets, Mrs. H. V. Anderson.

K. T. Wilcox of Pasadena has been in Huntington Beach for several days, looking after property interests. He has a small ranch on Delaware avenue which he expects to improve. He expects to remove eventually to this city.

Mr. and Mrs. G. H. Howard and Miss Virginia Howard were the guests of J. J. Goetz and family at Long Beach, Sunday.

Mr. and Mrs. W. P. Harrison, formerly of this city, have removed to Galesburg, Ill. Mr. Harrison is traveling salesman for W. F. McLaughlin & Company.

PUT STOMACH IN FINE CONDITION

Says Indigestion Results From An Excess of Hydrochloric Acid

—Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that indigestion is caused by Hyper-acidity, meaning, there is an excess of hydrochloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything eaten sours in the stomach much like garbage sours in a can, forming acid fluids and gases which inflame the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch up, our breath is bad, our food or heart-burn, flatulence, water-brash or nausea.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescent and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salt is used by thousands of people for stomach trouble with excellent results.—Advertisement.

CHOIR SINGER GIVEN DELIGHTFUL FAREWELL PARTY BY FRIENDS

HUNTINGTON BEACH, Mar. 20.—A delightful farewell party was given by Mrs. W. H. Taylor at her new home on Main street to Miss Jessie Kerr, who is leaving the city after a residence of three years, for her new home at Gardena. Miss Kerr was a member of the choir of the Methodist church and the guests were mainly members of that musical organization. A variety of games were played. Several musical selections were given. Fred Edwards and Stanley Coates gave vocal solos and Miss Ruth Harding gave a reading. Those present were Mr. and Mrs. W. H. Taylor, Mr. and Mrs. Stanley Coates, Mr. and Mrs. Fred Edwards, Mr. and Mrs. C. A. Paul, Mrs. S. Jennie MacDonald, Mrs. Mary C. Turner, Mrs. Paul Ellett, Mrs. C. H. Endicott, Mrs. Fannie Skinner, Miss Elizabeth Kerr, Miss Jessie Kerr, Miss Elizabeth Van Fleet, Miss Mary A. Turner, Miss Elizabeth Lorbeer, Miss Gertrude Skinner, Miss Mae Belle Ellett, Miss Ruth Harding, Messrs. Charles J. Andrews, Benjamin Auf der Heide, John Kelly MacDonald, Franklin E. Skinner and Ralph C. Turner.

Mrs. R. C. Reynolds of Yuma, Ariz., has arrived in Huntington Beach for a visit with her mother, Mrs. W. H. Bolton. Mr. Reynolds expects to come early in April.

Mrs. J. P. McLaughlin and Miss Thyr Brandt of Omaha, Neb., are the guests of Mr. and Mrs. C. A. Johnson. They expect to leave this week.

Miss Edna Earl, formerly a teacher in the Huntington Beach High School, and her mother, Mrs. Lucien Earl, were in the city for several days last week, occupying their cottage on Seventh street. Their home is Los Angeles.

The first Sunday afternoon band concert of the season was given by the local organization Sunday afternoon. The concert was given from the freight platform instead of from the band stand.

A. A. MacCurda of the State Normal will address the regular monthly meeting of the Parent-Teacher Association on Tuesday evening.

The J. O. C. class of the Methodist Sunday school gave a reception in honor of their teacher, Mrs. Louis A. Copeland on Tuesday evening of last week.

R. G. Risser of San Francisco, assistant truck crop specialist in the employ of the government, has been in the vicinity getting statistics for the department.

Efforts are being made through Congressman Kettner to secure the Pacific fleet for duty off shore during the big celebration in June.

HUNTINGTON BEACH, Mar. 20.—The regular annual election of officers of the Woman's Club was held Tuesday afternoon at the club house and resulted in the re-election of Mrs. C. A. Johnson as president, Mrs. W. E. Gerhart, vice president; Mrs. R. H. McElfresh, treasurer; Mrs. F. H. McElfresh, chosen secretary; Mrs. G. A. Shank, Mrs. S. L. Blodgett and Mrs. S. A. Moore, trustees. The hostesses of the afternoon were Mrs. Joseph Vavra, Mrs. A. M. O'Brien, Mrs. C. R. Stanford.

The chief feature of the program was a talk by Mrs. Sherwin on Home Products. Each member on roll call was expected to make some suggestion with reference to a clean-up day for the city.

The Ladies' Aid Society of the Methodist church gave a shamrock tea at the church Saturday afternoon, March 17. A large number of ladies were present and enjoyed a social afternoon with refreshments served at a low figure.

The second degree was conferred upon Clarence H. Mansur by the Odd Fellows at their meeting last Tuesday evening.

Mr. and Mrs. A. J. George, formerly of this city, have removed to Flagstaff, Ariz.

Mr. and Mrs. H. B. Little of Los Angeles were guests of friends in the city over the week end.

AUTO BREAKS MAN'S ARM FULLERTON, Mar. 20—R. T. Davies sustained a fracture of the arm when the motor of the automobile he was cranking backfired, causing the crank to fly out of his hand and strike him on the forearm.

In every home Sloan's Liniment has earned its place in the medicine chest as a relief from pains and aches.

Quickly penetrates without rubbing and soothes the soreness. Cleaner and more effective than musky plasters or ointments, it does not stain the skin.

For rheumatism, neuralgia, gout, lumbago, sprains and strains use Sloan's Liniment. At all druggists, 25c, 50c, \$1.00.

Sloan's Liniment
KILLS PAIN

Too Strong Emphasis Cannot Be Placed On the Fact That SEBASTIAN'S

Gigantic Unloading Sale is the Greatest Buying Opportunity of the year. \$10,000 Stock of Shoes and Dry Goods Literally at the Mercy of the Buying Public.

An epoch-making sale of high grade merchandise, that is the sensation of the season. It comes at a time when goods of all kinds are soaring in price. The fact that we are closing out stock is the reason for making such startling price reductions in the face of advancing prices. Every article is plainly tagged, and buyers can readily see the great saving they are making. In many instances goods are marked below cost, at the present market prices.

For Wednesday we are making extra efforts for the biggest trade reductions of this sale.

HUNDREDS PAY LAST TRIBUTE TO BAYHA

Hundreds of Orange county friends yesterday paid their last tribute to Erwin Bayha, of Richfield, at the funeral services held yesterday forenoon at Backs funeral parlors in Anaheim. Rev. Gilmore, former rector of the Episcopal church at Anaheim, officiated. Following the ceremony at Anaheim the body was taken to the Los Angeles crematory for cremation. Services were also held at the crematory.

Although only 36 years of age, the deceased had become one of the most prominent men in the northern part of the county. He had resided in the county thirty-two years and was the owner of valuable ranch properties in the vicinity of Richfield.

He is survived by his wife, who is a sister of L. B. Valla, commercial agent in this city for the Southern Pacific, by his father and brother, George G. Bayha and Hermine Bayha of Yorba, and sisters, Mrs. Max Morlock of Long Beach and Mrs. A. Maussnust of Los Angeles.

AGED CYCLIST HURT IN COLLISION WITH AUTOIST AT CORNER

J. Cossart, an aged resident of this city, suffered severe bruises and a sprained back this morning in an accident at the corner of Main and Fifth

streets. He was riding his wheel south on Sycamore and started to turn east on Fifth when he was struck by an automobile and knocked to the pavement. The automobilist stopped and took him to a doctor. Cossart says the accident was entirely his own fault, as he did not give a turning signal. He failed to get the name of the automobile driver.

OUCH! BACKACHE! RUB LUMBAGO OR PAIN FROM BACK

Rub Stiffness Away With Small Trial Bottle of Old, Penetrating "St. Jacob's Oil"

Ah! Pain is gone! Quickly?—Yes. Almost instant relief from soreness, stiffness, lameness and pain follows a gentle rubbing with "St. Jacob's Oil."

Rub this soothing, penetrating oil right on your painful back, and like magic, relief comes. "St. Jacob's Oil" is a harmless backache, lumbago and sciatica cure which never disappoints and doesn't burn the skin.

Straighten up! Quit complaining! Stop those torturous "stitches." In a moment you will forget that you ever had a weak back, because it won't hurt or be stiff or lame. Don't suffer! Get a small trial bottle of old, honest "St. Jacob's Oil" from your druggist now and get this lasting relief.—Advertisement.

\$18 GROCERIES ARE STOLEN FROM AUTOS

The high cost of living was reduced temporarily for the party or parties who stole \$18 worth of groceries Saturday night from two machines standing on Ross street, near the grocery of Sam Hill at the corner of Fourth and Ross streets. Groceries to the value of \$13 were stolen out of one car and \$5 worth out of the other.

CUT THIS OUT—IT IS WORTH MONEY

DON'T MISS THIS. Cut out this slip, enclose with 5c and mail it to Foley & Co., 2835 Sheffield Ave., Chicago, Ill., writing your name and address clearly. You will receive in return a trial package containing Foley's Honey and Tar Compound, for coughs, colds and croup; Foley Kidney Pills, for pain in sides and back, rheumatism, backache, kidney and bladder ailments; and Foley Cathartic Tablets, a wholesome and thoroughly cleansing cathartic, for constipation, biliousness, headache and sluggish bowels. Rowley Drug Co.

BAD COUGH? FEVERISH? GRIPPE? You need Dr. King's New Discovery to stop that cold; the soothing balsam ingredients heal the irritated membranes, soothe the sore throat, the antiseptic qualities kill the germ and your cold is quickly relieved. Dr. King's New Discovery has for 48 years been the standard remedy for coughs and colds in thousands of homes. Get a bottle today and have it handy in your medicine chest for coughs, colds, croup, grippe and all bronchial affections. At your druggist's, 50c.

NEWPORT BEACH BEACH COUNCIL MEETING SCENE OF CLASH ON BULKHEADS

Matter Laid Over For Week After Lively Session Of Trustees

NEWPORT BEACH, Mar. 20.—The second round of the wooden-cement bulkhead battle was staged at the council chamber of the city hall last evening before a fair sized crowd. The exponents of the two competing theories of construction fought every foot of the way, the referee holding up both hands at the conclusion of the mill, signifying a draw.

The bulkhead question emerged quite unexpectedly out of the heap of unfinished business on the table and its appearance was at once the signal for a lively free-for-all, which lasted until President Jumper nearly wore out his gavel pounding for order among the obstreperous citizens.

The fight started with the referring of the bulkhead proposition to the bulkhead committee, which was instructed to have the city engineer draw up plans and specifications for the construction of a wooden bulkhead along the front at Balboa from Cypress avenue to E street.

C. G. Alves asked if it were true that the wooden proposition was the only one which was being considered when a 51 per cent petition favoring the concrete construction was already on file. Alves made a strong appeal for the Harding bulkhead in particular and asked that Harding be asked for figures on the cost of the work.

Jumper Pounds Table
F. W. Harding then arose and made a few remarks, at the conclusion of which a lively taping accompaniment was played by President S. E. Jumper. Harding stated that he objected to the matter being referred to a committee when the voice of the people had already been expressed through various and sundry petitions which had been gathered dust about the arrival of the city hall for some time past. He suggested that the matter be left to a mass meeting of the property owners called together for that specific purpose and abide by the popular decision. As Harding began to get into his stride he warmed up eloquently.

"I object to leaving this matter to a committee that doesn't know anything about it," he said (taps from the chair). "One of them says, 'It won't hold. It won't stand.' And all he knows how to do is to make doughnuts and pies."

The gong, or rather, the gavel, saved the offending member of the board further punishment. Superintendent of Streets F. J. Knight at this juncture left his chair to make a few comments upon cement bulkheads in general and Harding's experiments in particular, which he characterized as absolute failure.

This brought a vehement rejoinder from Harding and again the gavel brought about a suspension of the discussion.

The matter was laid over for another week. At that time "parties who have not seen the entire performance will be permitted to remain for the second show."

The matter of the advertising for a ferry franchise for sale, at the request of Mrs. J. E. Cooley was brought up for action and the tentative franchise drawn up by City Attorney Bishop was read and discussed, the board finally passing a resolution unanimously which will advertise the franchise as amended last evening for sale.

20-Year Period
The franchise instead of being for an unrestricted term of 40 years as was asked by Mrs. Cooley, is made for a period of twenty years, only five years of which are indeterminate. At the end of the five years the city has an option of purchase on:

1. The franchise and docks, slips and wharves, boats, equipment, etc.
2. Or any part thereof of the boats, equipment, etc.

The price paid by the city for the ferry property is fixed with the idea of fully reimbursing the owner for his investment in the event of the municipality taking over his property.

Before advertising the franchise for sale the tentative document will be presented to Mrs. Cooley for her approval. In the event that the franchise is satisfactory all possible haste will be made to complete the new ferry for the summer season. The matter will be definitely decided at the next meeting of the board.

A mixed committee of citizens and citizenesses from the newly-acquired territory of Newport Heights was present in person to lend its moral influence to a petition asking for the extension of the municipal gas distributing system to the Heights tract. The matter was referred to the Gas committee for a report at the next meeting.

Further emergency measures will be pushed at once for the securing of a right-of-way down the peninsula for a temporary track over which the rock for the building of the jetty will be hauled. This measure comes after the refusal last evening of Joseph Ferguson to grant the right of way across his property. Condemnation proceedings are already pending for the securing of necessary land of Ferguson for the anchorage of the shore end of the jetty and the right of way matter will be carried along with the condemnation, both being crowded to the legal limit in order to occasion no more delay than is necessary.

The next meeting of the board will be next Monday evening.

Lead will remain fresh for several if you soak a small new sponge in water and place it in a saucer of bread pan.

make a fowl of doubtful age add a teaspoonful of apple to the water in which it is boiled.

MISSIONARY SOCIETY WILL HOLD MEETING ALL DAY THURSDAY

TUSTIN, Mar. 20.—The all-day meeting of the Tustin Presbyterian Missionary Society will be held on Thursday of this week, March 22, instead of the 29th, at the church.

The meeting will begin at 10 o'clock in the morning. Everybody invited. Those who attended will bring a lunch and tea and coffee will be served. Interesting reports from the recent annual meeting of the Los Angeles Presbyterian will be given in the morning. At the annual meeting a large number of returned missionaries were present and gave their personal experiences, some of them of thrilling interest.

At the all-day meeting on Thursday the afternoon will be given over to the topic, "Japan." Rev. Clark Marsh of the Fullerton Christian church will speak on Japan.

NEEDLEWORK OCCUPIES BUSY FINGERS AT DAY NURSERY TEA FRIDAY

TUSTIN, Mar. 20.—An enjoyable afternoon was spent last Friday at a Day Nursery tea given by Mrs. Penlon Matthews.

The ladies brought their needlework and early in the afternoon were quite attentive to the work of embroidering, tatting and crocheting.

They were later invited to a prettily appointed table centered with peach blossoms. Shamrock leaves were strewn over the snowy cloth and shamrock place cards were used.

Those present were Mrs. Jack King, Mrs. Dudley Kiser, Mrs. Floyd Turner, Mrs. Gavin Baxter and Miss Eva Stearns. Two ladies, Mrs. Forrest Collar and Mrs. Harry Kiser, sent their contributions but found it impossible to be present.

LAMBERT CLIMB IS NEW WORLD RECORD

Word today was received by Buck & Buck, Excelsior motorcycle dealers, that the record made by Calvin Lambert Sunday in the San Juan hill climb has been recognized officially as a world's record.

Lambert, using a 12 to 1 gear ratio on his Excelsior climbed the hill 342 feet, 57 feet further than the height reached last year.

In the free-for-all, when he went to the top of the hill, he used a 16 to 1 gear ratio.

DITCH WATER BRINGS CASES OF TYPHOID

Warning against drinking of irrigation water today was issued by County Physician A. H. Domann at Orange. It appears that several families have been in the habit of using irrigation water for drinking purposes. Several cases of typhoid, directly traceable to this practice, have been reported and this resulted in Dr. Domann issuing the warning.

WINTERSBURG FARM LOAN MEN TO MEET

WINTERSBURG, Mar. 20.—Announcement today was made that the Wintersburg Farm Loan Association will meet at Bradbury hall, here, Wednesday evening at 7:30.

Secretary H. O. Gardner of Santa Ana will speak to the land appraisers that have been appointed and explain to them the duties connected with their work.

All association members and all others who may be interested are being urged to attend the meeting.

THE WEATHER

Fair tonight and Wednesday. Light westerly winds.

Mar. 19—Maximum 64, minimum 46.

MARRIAGE LICENSES

IN SANTA ANA, ON MARCH 19
Abraham E. Ettelson, 40, of Redlands, and Ida Martha Bryant, 30, of Los Angeles.

Elmer C. Stuart, Santa Ana, and Thelma Sisbrunk, 18, of Los Angeles. Worth M. Hathaway, 32, of Los Angeles, and Caroline Wise, 34, of Grant's Pass, Ore.

William R. Shanklin, 31, and Elizabeth J. Hutchinson, 35, both of Alliance, Neb.

Harry E. Bailey, 27, Pasadena, and Maye M. Madden, 27, Los Angeles. Monroe W. Park, 22, Chloride, Ariz., and Hulda Erickson, 22, of Kingham, Ariz.

BIRTHS

WARREN—In Riverside Hospital, March 20, 1917, to Mr. and Mrs. F. C. Warren, an 8½-pound son, grandson of Mr. and Mrs. B. Uttley. Mrs. Warren was formerly Miss Elva Uttley.

DEATHS

MINIKEN—In Santa Ana, Cal., March 19, 1917, Miss Helen E. Miniken, aged 77 years, at the home of her sister-in-law, Mrs. Sarah Miniken, at 209 South Birch street, after a brief illness.

Funeral services will be held tomorrow, Wednesday, at 2:30 p. m. from Smith & Tutthill's chapel. Interment at Batesville, Arkansas.

DISPLEASURE OF M. D.'S ROUSED BY INSPECTOR

Inspector Roberts of the State Board of pharmacy, has been in the city for some days inspecting prescriptions issued by physicians and checking them against the records kept at the drug stores.

It is reported that he is incurring the displeasure of practically every physician in the city by reason of his interpretation of the state law governing the handling of drugs.

In reciting that fine point to which he is interpreting the law, a physician today stated that he had called the doctors down for directing a nurse to give a certain medicine to a patient without the physician having first placed the bottle of medicine before her and giving her explicit instructions.

Doctors have been accustomed, where necessary to telephone a nurse what medicine to give a patient and where it would be found, and the inspector objects to this practice.

GARDEN GROVE NEWS PROPRIETOR MARRIES

Many theatrical people were present at the Alhambra Hotel in Los Angeles yesterday when Everett King, proprietor of the Garden Grove News, was married to Mary Haley, formerly a member of the theatrical troupe of which King was manager.

The bride and groom have returned to Garden Grove.

Black Cake

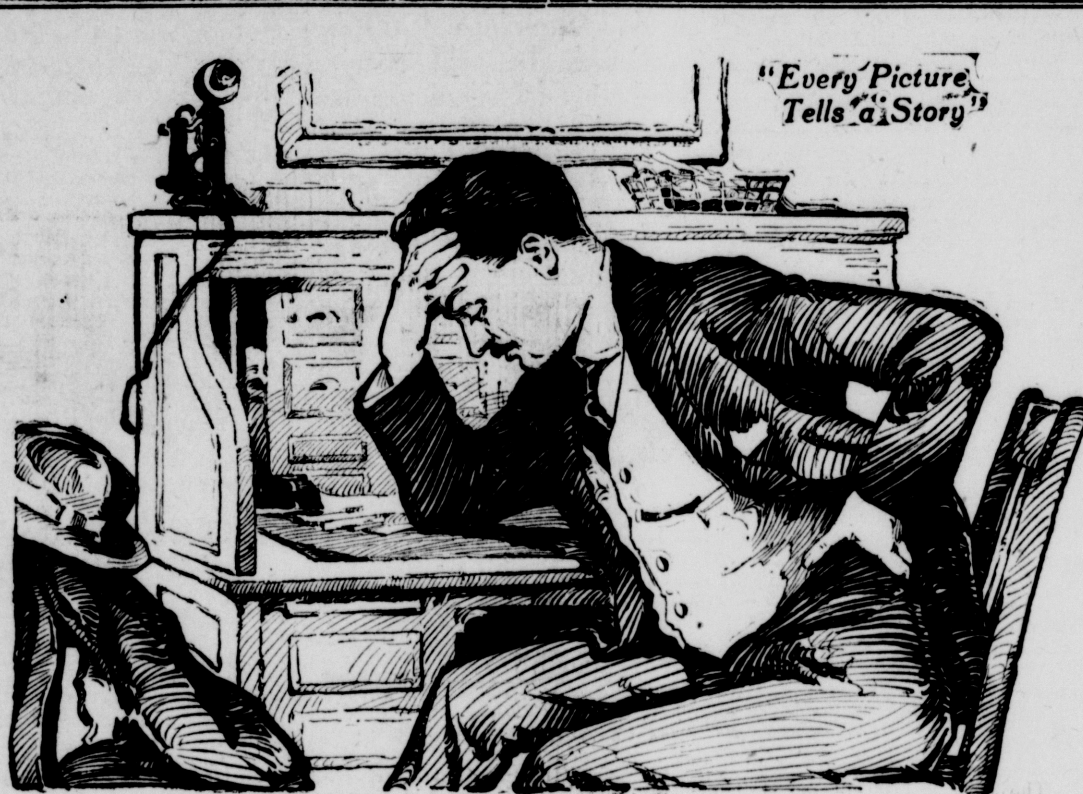

Two cupsful of brown sugar, one-half cupful of butter, three eggs, one cake of shaved chocolate (dissolved in one-half cupful of very hot black coffee), one level teaspoonful soda (dissolved in one-half cupful of thick sour cream or milk), two cupsful of flour. The sour milk makes the cake richer and the coffee improves its flavor. If you make this in layers, try a marmalade filling, and, of course, you can use white instead of brown sugar in cake if preferred.

GREENLEAF BUYS CITRUS GROVE \$2000 ACRE

That it is not altogether newcomers who are paying the high prices quoted on Valencia lands is evinced by the fact that City Councilman W. A. Greenleaf has just paid a little better than \$2000 an acre for a Valencia grove at Olive. He purchased the property of Carl Timie, the tract containing 8.12 acres, for which he paid \$17,000.

The property adjoins a piece which Greenleaf has owned for a number of years and is set to Valencias, the trees varying in age from seven to ten years.

Somehow the more you are willing to do for your friends the less time you have in which to do things for yourself.

Has Winter Left You Miserable?

ARE you dull, tired, achy all-over, bothered with a bad back? Do you feel all out of sorts? Do you lack the energy you need for the day's work? Don't worry so much about it! This is a common condition in March. So many of us neglect our exercise in winter, eat too heavily, indulge our desires too much, and get slow, lazy and half-efficient. Then, with the organs working badly, comes a chill, a cold or a grip attack and it weakens the kidneys. To get started right again, help the kidneys. Use Doan's Kidney Pills, the remedy that has done so much for Santa Ana people.

Be Guided By These Santa Ana Cases

E. Washington Ave.	E. Fourth Street	W. Second Street
Mrs. F. L. Blain, 528 E. Washington Ave., says: "I suffered from backache and other symptoms of disordered kidneys. When I was sweeping the floor, sharp twinges caught me in the small of my back and nearly drove me wild. Mornings I awoke feeling more tired than when I went to bed. I was very nervous and even the children playing disturbed me. Doan's Kidney Pills, procured from Hatfield & Parsons' Drug Store gave me wonderful relief."	W. N. Nelson, 821 E. Fourth St., gave the following statement on August 13, 1909. He said: "I suffered from pains in my back and now and then my back was so painful, I could hardly turn over in bed. I had rheumatic pains, also. Doan's Kidney Pills freed me of the aches and pains in my back and removed the rheumatic twinges."	Mrs. D. S. Reeves, 1046 W. Second St., says: "I caught cold, which settled on my kidneys and brought on an attack of backache. I had a constant lame back and the pains were more severe when I stooped or lifted. I was tired out and did not have any ambition. I suffered from severe pains in the back of my head and dizzy spells when everything seemed in a blur. Three boxes of Doan's Kidney Pills, procured from the White Cross Drug Co., removed the trouble."
E. Pine Street	S. Sycamore Street	W. Third Street
S. B. Stambaugh, retired carpenter, 802 E. Pine St., says: "I caught cold and it settled in my kidneys and brought on attacks of backache. At times when I was chopping wood, sharp pains caught me in the small of my back and I could hardly straighten. I have had a too frequent desire to pass the kidney secretions, which compelled me to arise several times at night. Whenever I have any of these attacks, I have used Doan's Kidney Pills, procured from Hatfield & Parsons' Drug Store. They have always cured the backache and regulated my kidneys."	B. E. Dean, bookkeeper, 818 S. Sycamore St., says: "A cold, which settled in my kidneys, brought on an attack of backache. I had a constant, lame back. In fact, felt miserable and irritable all the time. The action of my kidneys was too frequent and the kidney secretions were highly colored. I had pains in the back of my head. Doan's Kidney Pills cured the backache and made me feel like myself again."	Mrs. G. W. Kettle, 1104 W. Third St., says: "An attack of grip left my kidneys in a frightful shape. A heavy, dull ache across my kidneys kept me in constant misery and every move I made caused pain. I was very nervous and irritable at times. I suffered from headaches, also. Another of the family had used Doan's Kidney Pills with good results and I got a box from the Rowley Drug Co. They cured the attack."

DOAN'S Kidney Pills

At All Druggists, 50c. a Box, Foster-Milburn Co., Buffalo, N. Y., Mfrs.

A Woman's Will

Woman's training is for the management of a home. She learns to spend an income prudently, but is seldom taught to earn an income. When she does earn one, it is by personal service rather than by investment. Like others, she must consider the disposition of her property when she is gone, but she is peculiarly handicapped in planning that disposition. A woman must be sure that her capital is safe. A man may venture what he has, knowing that in case of a loss, he can re-enter business and earn it back again. Not so a woman. Neither she nor her children are equipped for business, so their care must be to hold what they have. To hold it, they need the counsel and assistance of men trained in the selection of investments, such men as control and direct the Orange County Trust & Savings Bank. Combined with the safety of their capital, women want certainty of income. However valuable their property, it will do them little good unless it yields a steady income. They can plan their household expenses if they know that they will receive a certain sum of money each month or year. Here again the counsel and assistance of men who have handled income properties and securities for many years becomes valuable. The Orange County Trust & Savings Bank is organized for just that sort of service. Its officers and directors were selected with that end in view. Consultation with them is free, and it is likewise confidential.

READING METERS—AND

In Memphis, Tenn., there is a movement afoot to have pupils in the public schools taught to read gas, electric and water meters. The movement is supported by the mayor, who says it should result in a great saving to citizens. Officials of the companies supplying gas, electricity and water to Memphis may be expected to ask in chorus, "How d'ye mean that, Mr. Mayor?"

However, there is no need to question the good intentions of public utilities officials to justify learning to read meters. If parents don't think of taking young sons and daughters down cellar and teaching them the mysteries of the meters, the schools ought to do it. Probably the schools could do it more scientifically than the parents.

And while they are teaching household mysteries a simple course in plumbing wouldn't be a bad idea. A high school physics course would be made more practical as well as more interesting to the students by the introduction of simple problems of plumbing. How the home is wired for electricity, how gas is piped into it and distributed through the house, how the heating system works—why aren't these things and others that might be mentioned, as important as the length of time it takes two balls of different weight to drop to the ground from a high tower?

Houses would be better built if the people who were going to live in them had up-to-date, scientific knowledge of how those houses worked.

THE SOAK 'EM SPIRIT

It was remarked by those who attended the inauguration at Washington that they were sized up and assessed any old price for accommodation that it was thought they could pay. This method of fixing prices is unfortunately much too common.

A lot of that sort of thing is seen in hotels catering to motor parties. For years automobile loads have been blowing through these places, who didn't care a rap what the size of the bill was. They are willing to pay anything that was asked, and all they desired was to have the bill quick so they could get out and make the next town before dark. Under those circumstances a place would be mighty short on human nature if it did not stick on a very considerable number of dollars.

When motoring became more democratic and popular, this same habit had to be used with some caution, as there are a great many people touring now who have only limited means and who do not take kindly to extortion. They may pay the bill without argument, but they tell all their friends and the place gets a black eye among that class.

A great many popular resorts are run on the same basis. At every turn you find some device for working small coins out of people. The managements seem to think that if they can extract a quarter here and a half there, people never notice it or know the difference. But people do realize it; they feel an undertone of indignation, and they keep away from such places again.

Business success is best built on a foundation of fair and reasonable charges, assessed the same against all comers. If wealthy people wish extra services, and if they want more comfortable rooms, let them pay for them. But even wealthy people do not like to be gouged. They have a keen idea of the value of money, and dislike being bounced even if well able to say, "Darn the expense."

With Malice Toward None

By Henry James

The Large Family
Some people exclaim with delight when a poverty-stricken family of six is blessed by the addition of triplets. It is the habit of some rich folks, who have no children, to rail at the poor folk with a lot of youngsters. The theory is set up that any restriction on the birth rate is a crime. At the same time there exists a theory that starvation of a numerous brood is a wrong to the brood and to society. Touching the subject there are so many opinions that a person of almost any taste may find one in the bunch to suit the individual fancy.

Recently the Countess of Warwick was riding along with a friend who

scornfully mentioned that the latter's gardener was the father of a flock, and yet on his wage could hardly keep them. "What would you do in such a case?" asked the friend. "I think," replied the countess, "that I would give him a bigger cottage and more pay." The countess is a philosopher as well as a lady.

A Notable Tip
A rich woman, who had laid aside an aged and decrepit husband, was so pleased with the manner in which the head waiter in a grill looked after her needs that, at the end of a week, she was married to him.
No wonder such a tip rattled even a seasoned waiter. In the excitement of the moment he threw up his job. And it was a good job.

Unethical
Not long ago a burglar entered a home where a young matron was alone, and when she declined to tell where the money was kept, took her across his knee and spanked her.
Spanking a lady is a privilege that in the best circles is denied even the husband of the lady. The burglar deserves to be sentenced for life for his nerve, and then ten years additional would be enough for the burglary.

Bluffing
When a man shoots himself with a 22-caliber pistol, and then says his intentions were suicidal, appearances drag his veracity into suspicion.
The best way to determine his sincerity would be to lend him a bigger gun.

Killing the Bray
French science has discovered that the braying of a mule may be stopped by a simple and painless operation.
Long ago the American boy discovered the same desirable end might be accomplished by tying a brick to the mule's tail, but that the process has disadvantages.

Royal Diversion
Holland has censured its queen for skating just when Europe is in such a precarious state.
However, she was wise to try to forget her troubles, and she wasn't skating on such thin ice as some royal personages, at that.

No Danger
A young man who eloped with a girl of 13 has been sent to the penitentiary for three years, the girl declaring that she will wait for him and marry him as he comes out.
But the records show that few women will wait so long, and when this kid has grown she may have discretion enough to forget.

Not Reformed Yet
After all the fuss, Utah has decided that the smoking of cigarettes within its borders is not to be a crime.
This will not change the opinion of anybody who doesn't indulge, but happens to get breath at by an addict.

The Family Pile
A New York judge has decided that a woman has a right to go through her husband's clothes, extracting therefrom such dross as may be needed in the household.
Probably the judge had an eye to the future when New York women will be voting. Other than this verdict was a slam at a very worthy sex, the members of which gladly turn all their earnings over to the wives and accept with gladness and humility enough change to pay car fare to the point at which they can earn more.

Poor Kitchener
Some of the policies of the late Lord Kitchener have been bitterly attacked in England.
Poor Kitchener! The fates have denied him even the poor boon of a grave in which to turn.

High Prices
High prices are ascribed to the war, and in the great majority of cases have no relation to war.
Also they are ascribed to the abundance of gold in the country, while had gold been flowing the other way the absence of the metal would have made, as good an excuse.
Prices are high mostly because the makers of prices want them high.

STOP LEFT-OVER COUGHS
Dr. Bell's Pine-Tar-Honey will stop that hacking cough that lingers from January. The soothing pine balsam loosens the phlegm, heal the irritated membrane, the glycerine relieves the tender tissues, you breathe easier and coughing ceases. Don't neglect a lingering cough. It is dangerous. Dr. Bell's Pine-Tar-Honey is antiseptic and pleasant to take, benefits young and old. Get it at your druggist's today. Formula on the bottle. 25c.

BURY JAP BABY
ORANGE, Mar. 20.—Funeral services for Norimasa, infant son of Mr. and Mrs. S. Fujimoto of El Modena, were held here today. Interment was in the Santa Ana cemetery.

HAVE DARK HAIR AND LOOK YOUNG

Nobody Can Tell When You Darken Gray, Faded Hair With Sage Tea

—Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Advertisement.

DESPONDENT WOMEN

—Constantly recurring suffering gives women "the blues." Comparatively few women realize that despondency, together with backache, headache, and that "dragging-down" feeling indicate some derangement of the feminine organs, for which Lydia E. Pinkham's Vegetable Compound is a remedy.

It is said that this famous, old root and herb remedy has been the means of restoring more women to health and consequent happiness than any other remedy in the world.
Don't wait until your life is wrecked by neglect and suffering. Give the Compound a trial.—Advertisement.

SPRAINS AND STRAINS RELIEVED
Sloan's Liniment quickly takes the pain out of strains, sprains, bruises and all muscle soreness. A clean, clear liquid easily applied, it quickly penetrates without rubbing. Sloan's Liniment does not stain the skin or clog the pores like musky plasters or ointments. For chronic rheumatic aches and pains, neuralgia, gout and lumbago have this well-known remedy handy. For the pains of grippe and following strenuous work, it gives quick relief. At all druggists, 25c.

INSURANCE
(That's All)
O. M. Robbins & Son
402 N. Sycamore St.

Life Insurance

In 1875 The Mutual Benefit Life Insurance Co. of Newark, N. J., issued Policy No. 82,489, at age 33, for \$10,000 on the 10-payment Life plan, with an annual premium for ten years of \$499.70. The Annual Cash Dividends were applied on the Accelerative Endowment Plan, with the result the Policy matured in 1900 as an endowment at end of twenty-fifth year (age 58), the insured receiving \$10,332.47 from an investment of \$4,997.00.

When the Policy matured, the Insured left \$10,264 with the Company and has since received \$482.41 (4.7%) a year. If the scale of dividends in use since 1900 be continued, he will receive \$482.41 (4.7%) a year so long as he leaves the principal sum (\$10,264) with the Company.

The Company returned to the insured every dollar of premiums paid with more than 3½% compound interest and in addition provided \$10,000 insurance for twenty-five years.

FULLERTON OIL MEN
LOOK FOR DOLLAR OIL IN VERY NEAR FUTURE

FULLERTON, Mar. 20.—Dollar oil for the Fullerton and other oil districts appears imminent. Millions of barrels of oil in storage have been drawn on heavily and this surplus soon will be wiped out, it is stated.
In one month alone the oil stocks of California were reduced by more than a million barrels.

Oil men here are confident that this rapid reduction of stocks means dollar oil in the near future.

A Texas Wonder
—The Texas Wonder cures kidney and bladder troubles, dissolves gravel, cures diabetes, weak and lame backs, rheumatism and irregularities of the kidneys and bladder in both men and women. Regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of \$1.00. One small bottle is two months' treatment, and seldom fails to perfect a cure. Send for testimonials from this and other states. Dr. E. W. Hall, 2296 Olive street, St. Louis, Mo. Sold by druggists.—Advertisement.

IMPERIAL VALLEY IS VISITED BY LUMBER MEN OF ORANGE CO.

Lumbermen of the county have returned from another one of their pleasant "junketing trips" which they enjoy three or four times a year. On their trip of a few months ago they toured in Arizona and the one from which they have just returned covered the Imperial Valley. They toured in automobiles. The party was composed of A. C. Bowers and Elmer Bowers of the Griffith Lumber Company, and C. H. Chapman of the Chapman Lumber Company, this city; F. C. Krause, H. M. Adams, J. W. Duckworth and H. A. Diekel of Anaheim, and H. A. Lake of Garden Grove.

OLD-TIME COLD CURE—DRINK TEA

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, pour a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once. It is inexpensive and entirely vegetable, therefore harmless.—Advertisement.

VULCANIZER INJURED AS DEMOUNTABLE TIRE RIM IS BLOWN OFF

W. C. Antine, employed at the Hoosier Vulcanizing Works, yesterday lost an upper tooth and sustained deep cuts on the upper lip and over the left eye when the rings of a demountable rim blew off while he was pumping up an automobile tire.

He is congratulating himself that his injuries were not more serious.

NEBRASKANS PLAN BIG PICNIC FOR MARCH 24

All former Nebraskans and their friends are being invited to attend an all-day picnic and outdoor reunion at Sycamore Grove, Los Angeles, Saturday, March 24. It is expected that there will be 5000 to 8000 people present and many delightful meetings of old home-state friends will take place. "Bring well-filled lunch baskets and stay as long as you can, from one hour to all day," is being urged by those having the arrangements in charge.

Coffee will be provided on the grounds. There will be an informal program of music and addresses after lunch. Contests and sports for young and old, men and women, including a baby show, will be featured during the afternoon. Valuable prizes will be given to winners in all events and will be open only to former Nebraskans or members of their family.

MUCH EXTRA WORK IN MARCH
—It's between seasons now, when few persons perspire as much as health demands. The result is double work for the kidneys, for the kidneys must throw out waste matter from the system that is eliminated through the pores when persons perspire. Overworked, weak or disordered kidneys need help now. B. H. Stone, Reading, Pa., writes: "Whenever I need a kidney remedy I rely on Foley Kidney Pills. They have been worth their weight in gold to me." Rowley Drug Co.

Dr. Magill, Osteopath. Phone 956-W.

P. E. CAR STRIKES WHEEL AND INJURES RIDER

J. P. Gutzweiler, foreman of the Raftery nurseries, was slightly injured yesterday afternoon when a through P. E. car from Orange to Los Angeles struck his wheel at the corner of Tenth and Main and threw him to the pavement. His left knee and right hip were bruised.

Gutzweiler was riding from East Tenth onto Main and the accident was the result of two cars passing at the point. He waited for a car to Orange to pass and crossed the tracks in front of the car coming from Orange.

DOINGS OF CLUBS
PERSONALS

CHIMES OF NORMANDY

Choral Art Club Makes Bow to Representative and Large Santa Ana Audience

The Choral Art Club of Santa Ana made its debut last evening at the Temple Theater, which was packed with a representative and appreciative audience, proving, as stated by Holmes Bishop in his announcement, that Santa Ana people appreciate good music.

"The Chimes of Normandy" was beautifully given, the soloists and large chorus working in harmony in the artistic production. The club has been working but two months.

Mrs. Russell Coleman, with her rich dramatic soprano, took the role of Serpolette, Mrs. Margaret Caldwell with her clear, sweet notes giving the Germaine solos. The male soloists were J. R. Paine, Jr. as Jean Grenichoux and Lloyd B. Babbitt and Earl Fraser singing the role of Henri, the Marquis.

The beauty of the production was greatly enhanced by the magnificent accompaniment of Mrs. Arnold Peek.

Holmes Bishop is the founder and director of the club and deserves great credit for the success of the undertaking. The next appearance of the club will be in June, when a sacred number will be given.

The members of the chorus are as follows:

Sopranos—Mrs. Alma Babbitt, Mrs. Marie Griffin Bishop, Mrs. Russell Coleman, Miss La Rue Phips, Mrs. Margaret Caldwell-Gehrett, Miss Gertrude Montgomery, Miss Louise Montgomery, Mrs. Nat. H. Neff, Miss Leila B. Ritzer, Mrs. Genevieve K. Van Slyck, Mrs. Nell Adelaide Trumphy.

Altos—Mrs. Cecil Fross, Miss Ray Knight, Miss Jean C. McFadden, Miss Minnie L. Phillips, Mrs. B. H. Sharpless, Miss Iola M. DeVaul.

Tenors—Lloyd B. Babbitt, O. Herchel Clayton, Jr., Lloyd Fuller, J. R. Paine, Jr., D. W. Stearns, Charlton Waters.

Basses—C. Edwin Dessery, Earl Fraser, Frank E. Biggs, John Cannon, Anton Polillo, T. Harry Warner, Walter Viera.

Birthdays

Wm. A. Cummings of 825 Lacy street was very agreeably surprised last evening by about twenty of his friends and relatives who had gathered to celebrate his birthday and the natal days of his brothers, Charlie and Leslie, and his son Arthur, whose birthdays come during this month.

Mrs. Charles Thompson and children of Acton were also present.

A fine dinner, consisting of roast beef, baked beans, tamale pie and two birthday cakes, was served.

Roosevelt P-T, A Tea

Mrs. W. C. Jerome, Mrs. Robert Brown, Mrs. William Bowman, Mrs. Ned Johnson and Mrs. R. W. Beall will be hostesses at a tea to be given by the Roosevelt P-T, A. tomorrow afternoon at 2:30 at the home of Mrs. Beall.

PAST PATRONS HOSTS

Innovation Introduced Eastern Star Proves Men to Be Good Entertainers

An innovation introduced into the meeting of Hermosa Chapter, O. E. S., proved most delightful and successful. The Worthy Matron, Mrs. H. Clay Kellogg, had appointed the Past Patrons of the lodge, under the chairmanship of A. N. Zerman, as a committee for last night's entertainment and right well did they perform their duties.

Of course, there were some silent partners, the gentle and artistic touch of a woman's hand being apparent in the decorations and other details, but the main work was ably done by the men.

The lower hall was beautifully done in green, the only touch of color being the stars and stripes of the beautiful silk flag, which was recently presented the chapter by Miss Martha Whitson.

The following well-rendered program was thoroughly enjoyed: Mrs. P. L. Worden, piano solo; Miss Birden Henry, Irish readings; Mrs. Chas. Brown, whistling solos; Maurice Phillips and Mrs. T. A. Winbiger, vocal solos; Mrs. H. Clay Kellogg, an original poem, in which she portrayed some well known characters.

A pleasant feature of the evening was the presence of Mrs. Maude Bowes, a Past Grand Matron, who gave an enjoyable talk.

Shamrock leaves were then matched for partners for refreshments and the banquet room was found to harmonize in its decorations with the lower hall. Little pigs dotted the long tables, which were beautifully arranged with greenery and the sweet-scented white jessamine, a flower emblematic of the order, ice cream, cake and chocolate were served by the efficient patrons.

At the next meeting initiation work will be put on and at the following gathering the Past Matrons will entertain. About 200 were present to enjoy last evening's pleasures.

First Baptist Concert

The following is the program planned for this evening's concert at the First Baptist Church, at 8 o'clock.

Melody—(Rousseau) Mr. Lusk.

Comical-tuple-pays Mignon—(Thomas) Mrs. Bishop.

The Highwayman—(A. Noyes) Miss Breed.

Preludis Nos. 7 and 10—Revolutionary Etude—(Chopin) Miss Whipple.

(Narcissus—(Nevin) Mr. Lusk.

The Education of Fluff—(E. P. Butler) Miss Breed.

Galatea—(Jensen)—Will o' the Wisp—(McDowell) Miss Whipple.

(a) My Laddie—(Thayer) (b) Sing! Break into Song—(Mallinson) Mrs. Bishop.

Delightful Program for Blind

Another delightful afternoon for the blind was given yesterday afternoon in the parlors of the Church of the Messiah, the use of which Rev. W. H. L. Benton has kindly extended for these occasions, which are given under the auspices of Social Service headquarters.

Mrs. Lillian Ellis, volunteer worker and friendly visitor for the Associated Charities, had charge of the afternoon for the blind and has been preparing varied programs, including music, discussion of current topics, Bible readings, etc., which are greatly enjoyed by the blind guests.

J. H. Gulick yesterday afternoon volunteered his time and automobile to call at the homes for the guests and return them safely after the entertainment.

The program included delightful and varied numbers.

Miss Virgil Potts gave a reading from "Anne of Green Gables," which was much enjoyed. James Rice rendered sympathetically two violin solos of his own composition and Schubert's Serenade, and Mrs. Theo. A. Winbiger sang two charming Irish melodies, "Mother Machree" and "My Wild Irish Rose," accompanied by Mrs. A. J. Padgham. Miss Ethel Richardson added to the interest of the program by reading a brief composition on the life of Helen Keller.

People knowing a blind person of this city are asked to give names and addresses to Social Service headquarters.

P. E. O. Meeting

The regular P. E. O. meeting was held yesterday with Miss Susan Cloyes of Long Beach at the home of her sister, Mrs. Sherman J. Evans on West Walnut street. Sweet peas and English daisies made attractive adornments for the rooms.

The following business session, the members were regaled with tempting refreshments served on trays.

The next meeting will be held with Miss Hutoqua Hossler on April 7.

The members attending were

Mmes. L. A. Collier, G. E. Bruns, Harl Kittle, W. S. Palmer, R. C. Peterson, F. C. Rowland, R. E. Miles, R. K. Miles, C. G. Strock and I. M. Sproul; Misses Gertrude Montgomery and Mary Wakeham.

Meet With Mrs. Smart

Twelve members of the first section of the Travel Club enjoyed a very pleasant meeting yesterday afternoon with Mrs. W. M. Smart on North Main street. Yellow was the color scheme in the living room, carried out with freesias and other rare blooms and pink sweet peas and Cherokee roses graced the parlor.

WHETHER GRIP IS OCCUPATIONAL ILL, QUESTION

Is grip an occupational disease? Upon the answer to this question by the State Compensation Insurance Fund Commissioners will depend whether or not John H. Hockings will be reimbursed for the fund for time lost and expenses incurred during an illness last October.

Hocking is an employee of the Newbert Protection District and on the 22nd of October of last year contracted grip, which developed into abscess of the lymph gland, incapacitating him for six weeks.

He applied to the fund for compensation. Hearing on his application was held at the city hall this morning, before L. J. Clarke, referee for the Industrial Accident Commission, testimony was given by Hocking and the physician who attended him at the time of his illness.

The referee will report the result of the investigation to the commission and a decision will follow later. Considerable interest was manifested in the hearing today.

W. L. McConnell, Southern California manager for the state fund, was in attendance.

AT THE COURTHOUSE
COUNTY ACCEPTS CHAPMAN BRIDGE
The West Chapman street bridge is now the property of the county. H. Clay Kellogg, the contractor is no longer responsible for it. Kellogg's responsibility in a measure ceased when the new structure was thrown open to the public on the 8th inst., but official acceptance of the bridge was not made until the meeting of the board of supervisors today.

The board today devoted itself almost entirely to the examination and passing of claims against the county. A few minor matters were given some attention.

Given Interlocutory Decree
Ardenia Barger was today granted an interlocutory decree of divorce from Ernest Barge.

Parents Lose Control
An order of Judge Thomas this morning placed Rufus R. Whitman in the custody of H. Rinearson, and deprived his parents of his custody and control. He has been a ward of the juvenile court.

Inheritance Tax
Tax appraiser J. N. Anderson has reported \$154 due from Mrs. Joanna A. Coyle as inheritance tax on the estate

of her husband, Robt. F. Coyle, valued at \$32,000.
Divorce Action
Bruce H. Friend has filed suit for divorce against Edith M. Friend, on the ground of desertion. Chas. D. Swanner is attorney for plaintiff.

RIVERSIDE AWARDED CALIFORNIA REALTY BOARD CONVENTION
RIVERSIDE, Mar. 20.—Against the combined competition of Del Monte, Sacramento and Santa Cruz the directors of the California State Realty Board, in convention here, awarded Riverside the 1917 state convention. Nearly 500 of California's most lively realty dealers will be brought by the executive. The date has not yet been decided upon.

OPTIMISM PREVAILS AS BUYING AGAIN BECOMES NORMAL
Business conditions in Santa Ana are again normal. The merchants as a whole are optimistic and report a steady increase in sales. Since January 1 there has been a gradual trend toward better, sounder selling. In spite of the high cost of materials Santa Ana folk are spending money. Fewer are out of employment than has been the case in perhaps three years.

Taylor's Cash Store, which place is running its annual white sale, reports last Friday and Saturday as the very biggest since they have been in business. Mr. Taylor is enthusiastic. "Last Friday and Saturday were the biggest days of any white sale we have ever had. People have been coming from all over the county. We have been rushed to capacity and are more than gratified with the results," he said.

MAN ACCUSED AS PIGGER CONVICTED
Frank Lopez, who was arrested by City Marshal Jeremiah O'Connell, noon on Washington avenue, charged with illegally selling liquor, was found guilty this afternoon in City Recorder Heathman's court. He was fined \$100, in default of which he was committed to jail.

Musical and literary entertainment at Baptist Church tonight.

To improve the flavor of an apple tart sprinkle the fruit with lemon juice after it is put into the dish and cover with tiny pieces of butter, then add sugar and nutmeg or cinnamon.

EASTER
and your opportunity to wear a top-notch, tailored-to-order suit!
Like many other men, you probably think that genuine Custom Tailoring is a luxury enjoyed only by those who can afford to pay high prices.
A visit to our store will quickly prove to you that this is a grave mistake—as it has to hundreds of others.
At EASTER time particularly, you want to dress your best. Here you will find a host of newest Spring Styles and wealth of the very newest and most exclusive Spring fabrics.
The suit you select here will be built especially for you by expert tailors. It will fit as you've always wanted your clothes to fit and will add that "different" touch that makes "custom tailored" men look so much better dressed.
Bear this in mind! The price you have decided to pay for an ordinary, "same-as-a-hundred-others" suit will pay for one of our beautiful, hand tailored suits made to your individual measure. Come in and be measured for a real "custom tailored" EASTER suit.

Cotton Fabrics In New Sports Designs and Shades
At 50c, 65c and 75c yd.
This is a spring message of great importance to women who make their own dresses. An extensive shipment of fine sport skirtings and suitings, including all the newest colorings and designs and marked at prices that will bring you eagerly to examine these beautiful materials. Vari-colored plaids, large black and white blocks; stripes in blue, rose, green, etc.; basket weaves and gabardine stripes. Every yard of this splendid material is worth much more than the prices asked for them. They represent an exceptional opportunity to make definite savings on wash fabrics.

Silk Poplins
We are showing a splendid assortment of sport silk poplins in entirely new patterns and combinations. Greys, Tans, Rose, Chartreuse and Gold. All with contrasting designs; 40 inches wide, \$2.00 yard.
The same fabric in the same shades, except without the contrasting designs, at \$1.50 yard.

YARD WIDE BLACK TAFFETA
Special at \$1.25 yard.

Novelty Dress Silks
Weaves that are most sought because of their dependability and richness. We show them in a wide range of colorings, in self-plaids, washable and fast color, 36-in. wide, at 65c yard.

A. B. C. Tub Silks
White backgrounds with narrow or wide stripes in a variety of colorings, weaves, and launders perfectly. Suitable for men's shirts, as well as shirts, waists and dresses. These tub silks are very popular, indeed. 36 inches wide, at 75c yard.

A. B. C. Sports Silks
Unusual designs even among the extreme novelties that are being shown this season. Wonderfully bright colorings, and many different patterns to select from. See display in show windows. 36 inches wide, at 75c a yard.

YARD WIDE SILK POPLINS
All shades, 36-in., special at \$1 yard.

ALL SILK IMPORTED PONGEE
25-in., special at 49c yard.

Part Silk Georgette Crepe
A soft and shimmery summer fabric, suitable for dainty underwear, as well as for dresses. In white, flesh, blues, rose, greens, yellows, pink, tan, etc. Washable and fast color, 36 inch, at 50c yard.

Motor Hats that are Really Hats
While they are made for motoring purposes, they are smart hats that pull down over the head and protect you from sun and wind, yet preserve the appearance of a hat. Not an ordinary automobile cap. Specially priced at \$1.25.

Phoenix Silk Hose
for women are, every pair, guaranteed. Full fashioned, in black and white at 80c and \$1.10 and \$1.50 pair. Bear in mind that every pair is guaranteed for service.

The Hadden Sprinkling System for Small or Large Lawns.
Our Special Efforts Make it Possible for You to Have a Beautiful Lawn
Among the things we've prepared for you are Hadden Sprinkling Systems and Pennsylvania Lawn Mowers. Invention and science have produced the Hadden Sprinkling System by which you save 90 per cent labor and 40 to 50 per cent of your monthly water bill. The Hadden System does away with the hose entirely. It distributes water uniformly and eliminates loss through evaporation. We install the Hadden Sprinkling System without injuring your lawn in the least. Let us furnish you an estimate (Free) now and you will have a beautiful lawn this summer. This is the system used by the finest homes all over the country.

Garden Tools
The Pennsylvania Lawn Mower is "The Mower." Anyone who has used a Pa. knows this to be a fact. There is no other lawn mower just like it. In the garden tool line we have a special cultivator hand rake, that can be adjusted any width desired. It is light and strong. See it in our window. Also, see the Pennsylvania Lawn Mower and the other fine quality garden tools.

SANTA ANA, CALIFORNIA, TUESDAY EVENING, MARCH 20, 1917.

CITY TRUSTEES

BRISTOL STREET AND FAIRVIEW AVE. PAVING IN DOUBT

No Action Is Taken In Matter Of Giving Southwest Improved Road to City

TRUSTEES MAY SOON ACT ON DRAIN BONDS

License Ordinance Presented By M. & M. Year Ago Is Again Resurrected

Bristol street may be paved and it may not.

Fairview avenue may be paved and it may not.

Mayor Visel at the meeting of the city council last night quietly and innocently suggested that it might be well to drop consideration of the proposition to pave Bristol street and attempt the work on Fairview avenue, for the purpose of getting a paved connection with the county highway on Bristol street at the city line, in order to relieve the condition complained of by residents southwest of the city. Residents of the rich and productive sections of the southwest have complained that in rainy weather they have been unable to drive into town without having to drive through slush and mud between the end of the county pavement and a city paved street.

"How would you like to change the paving proposition from Bristol to Fairview?" asked the mayor, in bringing up the subject. "I believe the Fairview avenue property owners are more willing to pay for having that street improved than are those on Bristol. The people on Bristol do not seem to appreciate the benefit that would accrue to their holdings by having that street improved."

McPhee suggests that if the council persisted in forcing paving, the people would retaliate by refusing to support bonds for the improvements that are imperative.

"Personally, I don't care a tinker's darn whether they vote the bonds or not," said McPhee. "I have done

what I could to show them the necessity of the sewer and bridges. I have done my duty. If the people don't want to advance their city by providing these necessities, why that is their business."

"They can't spite the council by refusing to support the bonds," said Mayor Visel. "It is themselves—their city—that they are injuring and not the members of the council. If they turn down the bonds and the time comes when they must have the sewer and haven't got it, they can't blame us. Our skirts are clear. Let's get the bonds ready. We ought to vote on them in May."

The paving of Fairview avenue for the combined purpose of offering the southwest section a paved highway into the city and a storm drain for the city was discussed.

No definite action was taken on the mayor's suggestion as to the changing of efforts from Bristol to Fairview, but the impression was left that the council would get together shortly and reach some definite conclusion with reference to this and the bonds.

City Licenses
The license ordinance presented to the council about a year ago by a committee from the M. and M. Association was resurrected and buried again. It was buried temporarily, or until such a time as the council can agree on some of the provisions.

The ordinance is designed to protect local merchants against itinerant merchants—people who come here with a stock of alleged fire or bankrupt goods, clean up the city in thirty or sixty days and then move on to another city.

E. B. Smith, representing the committee, appeared before the board and asked what had become of the ordinance. It was brought to light by the city clerk and a long discussion resulted and was finally referred to Tubbs and McPhee, the committee to report on it at the next meeting.

McPhee thought that the proposed ordinance would not hold water and read a newspaper article on the decision of the appellate court on a certain section of an ordinance in force at Venice. The court held the ordinance invalid. The decision came in the case of a Los Angeles laundry firm which sent its wagons into Venice to collect laundry and contested the license.

Long Discussion
A question from City Clerk Vegely as to how he was to tell whether a man would become a permanent business man when he came to his office and told him that he had rented and stocked a store here and wanted a license, precipitated a lengthy discussion.

Smith said by referring the matter to the secretary of the M. and M. Association, information on a new man could be ascertained within twenty-four hours, and the information would determine whether the applicant for a license was sincere in his intention to become identified with the city business interests or whether he had come simply to clean up on a stock of inferior goods.

City Attorney Scott believed the ordinance would do no harm and might do a great deal of good in protecting local merchants.

P. E. Request
The Pacific Electric petitioned for permission to replace the sixty-pound rails on West Fourth, from Baker to Artesia, with seventy-five-pound rails, and to pave its right of way with the same material used in its repaving on Fourth from Ross to Bush.

The request came as a result of the paving to be done on Fourth between Baker and Artesia. The company stated in its communication that it was ready to proceed with its work at once. Tubbs, Greenleaf and City Engineer Bonebrake were appointed a committee to investigate results of similar paving in other sections and report to the council.

In response to a question, Paving Contractor Finley stated that the rock and oil paving used by the railroad was better for use on the right of way than concrete, as it was not damaged as much by the vibration of cars.

Lights Ordered
On report of the lighting committee, street lights were ordered in as follows: One at the corner of Main and Eleventh, one on Santa Clara between Broadway and Greenleaf, two on Greenleaf between Seventeenth and

Santa Clara, two on Washington between Flower and Baker and one at the corner of Tenth and Birch.

Gas Vent Ordinance Referred
Members of the council could not agree on all of the provisions of a proposed ordinance providing for the venting of gas heaters and stoves and it was referred back to the city attorney.

Want Sewer Extension
A petition signed by H. W. Rohrs and other property owners on Seventeenth street between C and Grand avenue, was presented and granted on condition that all the property owners sign an agreement to pay the cost of the pipe. The entire cost of the work is estimated at \$504, of which the petitioners would have to pay \$233.90, the cost of the pipe. The petition was signed by all property owners on the street except one.

Passing Schools
The ordinance regulating the speed of autos passing schools was given its first reading and referred to the city attorney. The ordinance will provide for a speed of fifteen miles in front of school houses. The restricted zone will be a half block on each side of the school grounds.

Street Paving
Petition for paving Birch, Sixth to Tenth, with rock and oil was granted. Including non-resident owners, 65 per cent of frontage was signed. McPhee asked to be excused on the vote as he did not understand the situation. Permission was granted Wells & Bressler to close street so that curbs and sewers could be put in.

J. O. Baker presented a petition for paving Orange avenue from First to Chestnut, and Walnut from Orange to Oak, but the signed contract for one of the streets was missing and action was deferred until the next meeting. Parton street was ordered improved with crushed rock and oil. Maryatt reported that the petition showed 95 per cent of the frontage was signed. The paving will be from Hickey to Washington avenue.

Government Doomed

JOIN THE 1917 HOOSIER CLUB NOW FORMING AND GET ALL THESE Iris Products Free HOOSIER

Iris Products have achieved tremendous popularity all over California and the Coast, and their well known slogan of "Highest Grade" and "Quality Groceries" is a Household saying in California homes. We propose to give away Absolutely Free with Hoosier Cabinets during this sale, the several articles enumerated in the list below. Remember the First 12 Ladies to join get these Iris Groceries with their Hoosier.

READ THIS LIST OF IRIS PRODUCTS

- 1 can Iris Maine Corn
- 1 can Iris Cling Peaches
- 1 can Iris Roasted Coffee
- 1 can Iris Sliced Pineapple
- 1 can Iris Baking Powder
- 1 can Black Pepper
- 1 can California Peeled Green Chilis
- 1 bottle Vanilla Extract
- 1 jar Honey
- 1 jar Preserves

(Your Grocer will supply you when these are gone.)

To the First Women Who Call

Hoosier Kitchen Cabinets, as nearly every woman knows, are the finest in the world, both from the standpoint of beauty and convenience.

They have places for 400 articles all within arm's reach! They have 40 labor saving inventions that save you miles of steps and hours of time.

Women buy more Hoosiers than any other five makes combined. That results in enormous output, low factory costs and low prices.

Hoosier prices are fixed prices—fixed at the factory. And never before have we or any other store in America been able to make an offer like this.

The terms of the Cut-Price Hoosier Sale are these:

- 1—Pay only \$1 when you order your "Hoosier."
- 2—Pay the balance only \$1 a week.
- 3—No interest, no extra fees.
- 4—Your money all back if you are not delighted.
- 5—Sale ends absolutely when allotment is sold.

Hortor-Spurgeon Furniture Co.

Santa Ana, Cal.

a communication to the council, giving warning that this government is to be destroyed. "Written by the Prophet, God's second son. He with the sword and the golden crown."

McPhee asked if it was a protest on street paving. No action.

For Advertising
The request of the advertising committee of the Chamber of Commerce for the money in the advertising fund created by one-cent tax levy, was granted. About \$419.50 is now on hand, with something like \$350 yet to come in before the first of June. The committee was granted \$450. Members of the council held that some of the money should be retained in the fund for special occasions that may arise.

Tubbs, as member of the committee on paving East Fifth from French to Gardfield, recommended that action be deferred until fall.

Tubbs reported that the petition for paving Garvey from Fifth to Hickey reported that there were 1719 feet of frontage, of which 577 feet had signed, 350 feet owned by non-residents. He thought the majority was too small to attempt to force paving on the street, and moved that the petition be denied.

Carried.

Lime Street Walking
Protests of Bachman, Zimmerman and others against sidewalking the south side of Lime street, from Ross to Parton, were effective, and the time for the work was extended six months.

May Change Lamp
Request of owner of the Main Street Supply Station for permission to place a gas lamp extending over the sidewalk was granted.

Gas Ordinance to Committee
The gas ordinance providing for the proper venting of gas stoves was referred to Greenleaf and McPhee to

investigate and eliminate objectionable features.

A four-foot concrete gutter was ordered in on the south side of Tenth street from Riverine to Ross to carry the large volume of storm water passing over that street in the winter.

Paving on East Fifth and Mortimer streets was held up for a time.

On recommendation of City Engineer Bonebrake, it was ordered that hereafter the crown of streets to be improved with paving be increased between three and five inches, according to the width of the street.

investigate and eliminate objectionable features.

"Trade at Home"

DON'T DECEIVE YOURSELF

*Into Thinking It Adds Dignity
and Exclusiveness to Buy Away
From Your Home Town*

Remember the home merchants are supplied by the same manufacturers as the large city stores. They have the same lines from which to choose, and invariably will select the best and sell at a lower price—Lower selling expenses of the home merchants make this possible.

Some people, laboring under a false impression in the belief that it adds to their dignity and exclusiveness, take great pleasure in boasting that their wearing apparel and other personal belongings come from some big city store. It matters not so much if the "metropolitan" dealer who supplies them is some obscure merchant on a side street, or a store which caters only to so-called "bargain seekers," as long as the package when delivered bears the metropolitan label.

These persons seem to find real joy and delight in saying, "I bought this dress at The Fashion in San Angeles," or "Just see the shoes I purchased today in Los Frisco for \$1.98." But these boasts have the desired effect only upon those whose nature and point of view are like the boasters. To the truly refined and to the loyal home-buyers such boasts are regarded as nothing less than vulgar.

As a matter of fact, there is absolutely no ground for the belief that an article is better or more "exclusive" because it comes from out of town. The up-to-date merchants are in constant touch with the leading markets of this country as well as those of foreign cities. They make frequent trips to the big buying centers and bring to your home town the very best that is to be found anywhere. **THEY BUY FROM THE SAME MANUFACTURERS AS THE LARGE CITY STORES.** Great care and pains are taken in the selection of the stocks of the home merchant, **as he wants to bring to his home customers and friends only the very best values.** A careful investigation and comparison will usually find those so-called "exclusive" articles right here at home and at a much lower price than in the larger city stores. Lower rents, lower selling expenses, smaller profits, etc., make this saving possible.

While foreign buying has not become a serious menace in Santa Ana it does exist to an extent which we believe will be greatly lessened if you will but think seriously over this important matter before carrying your money out of town or sending it to a far-away mail order house.

LOS ANGELES PRODUCE MARKET
Strawberries are coming into Los Angeles in ever-increasing quantities and as a result prices have dropped to 20 cents a basket. Demand for berries is exceptionally heavy.

All apples are showing a stronger tendency and a number of the cheaper grades have entirely been eliminated from the market. Pears have been given a boost all along the line. By the pound good stock is bringing 8 cents while the price for packed boxes now is \$2.25 to \$2.25. The arrival of a considerable quantity of pineapples from the Hawaiian Islands has made that commodity worth quoting at 12 cents a pound.

Easier values ruled in the potato market Monday. Northern Burbanks can be secured today at \$4.25 a hundred pounds and local stock is fairly plentiful at \$4. New spuds are attracting attention at 8 to 10 cents a pound and supplies of the same are increasing from day to day. In the vegetable list, asparagus and strawberries have declined, the former now bringing \$2.75 to \$3.30 and the latter being offered at \$2.75 to \$3.30. Greens are still scarce and in consequence are holding up strong.

DAILY MARKET REPORT
(Corrected data by telephone from Los Angeles)

BUTTER—California creamery extras, 33c; do. creamery firsts, 30c. These prices represent 3 cents added to jobbers' price to producers. Quotations on canned and selected stock are prices to the trade.

POULTRY—Broilers, 34c; fryers, 32c; roasters, 25c; light hens, 21c; heavy hens, 22c; young ducks, 22c; young geese, 22c; young turkeys, 26c; tom turkeys, 30c.

MISCELLANEOUS FRUITS—Bananas, lb., 44¢; pineapples, 7c lb.; \$4.50 a case; strawberries, 1¢; \$6.12 a case; apples, 4¢; tangerines, 1¢; \$1.25 a case; oranges, 1¢; \$1.25 a case; lemons, 1¢; \$1.25 a case; HUNTINGTON AND JACKMAN COME TO BLOWS

A discussion of public affairs covering the recent filibuster in Congress, the Orange County Taxpayers' League and other matters, yesterday afternoon on the California National Bank corner, led to a fist encounter between E. G. Huntington and S. J. Jackman. Both were arrested by Police-man John Ryan and charged with disturbing the peace. They will appear before Justice Cox Friday.

The trouble created quite a stir on the street corner where many congregated every day for discussion of public affairs and affairs that are not particularly public.

Words passed between the two men until the lie was passed by Huntington, followed with an assault on Jackman. According to bystanders Huntington hit his adversary twice while the latter stood with his arms folded and asked him to desist. Huntington

persisted in his attack and Jackman struck him, knocking him several feet.

Both men later expressed regret at the occurrence.

UGH! ACID STOMACH, SOURNESS, HEARTBURN GAS OR INDIGESTION

The Moment "Pape's Diapepsin" Reaches the Stomach All Distress Goes

—Do some foods you eat hit back—taste good, but work badly; ferment into acids and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down: Pape's Diapepsin helps neutralize the excessive acids in the stomach so your food won't sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is upset you usually get happy relief in five minutes, but what pleases you most is that it helps to regulate your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is positive in neutralizing the acidity, so the misery won't come back very quickly.

You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia, or any stomach disorder, due to acid fermentation.—Advertisement.

ANAHEIM COMMITTEES TO BOOST CITY NAMED BY TRADE BOARD HEAD

ANAHEIM, Mar. 20.—Three important committees destined to have a large share in the upbuilding of this city have been appointed by F. A. Backs, president of the Board of Trade, as follows:

Orange Day Committee—G. R. Simpson, H. A. Dickel, G. R. Sandilands, F. K. Gresswell and W. J. Elliott.

Committee to work for making Anaheim a city of the fifth class—P. C. Krause, H. P. Noll and H. A. Dickel.

Civic Center Committee—J. F. Ahlborn, F. A. Backs, G. R. Simpson, J. W. Duckworth and H. M. Adams.

ORANGE HIGH SCHOOL BASEBALL TEAM AND L. A. POLY CLASHING

ORANGE, Mar. 20.—What was thought would develop into a speedy baseball game was scheduled to be played here this afternoon between Orange High School and the Los Angeles Polytechnic.

Orange, having arranged a fairly regular line-up, was confident of putting up a good battle against the Angelenos.

SEEK FULLERTON BURGLAR

FULLERTON, Mar. 20.—City Marshal French today is on the lookout for a burglar who entered the L. C. Ellis second-hand store and got away with two revolvers and a razor.

JUNIOR COLLEGE BILLS BEFORE LEGISLATURE HELD O. K.

Principal Hammond of Santa Ana High School Explains Proposed Laws

Declaring that two of the most important bills before the State Legislature are those relating to the organization and maintenance of Junior colleges, known as Senate bills 514 and 515, D. K. Hammond, principal of the Santa Ana Polytechnic high school, in making some observations concerning some pending legislation which will affect the school and teachers, today came out strongly for these two measures.

"These bills would make the Junior College a legitimate part of our school system and would give the district supporting it state funds to the extent of \$15 per pupil for average daily attendance, the same amount that is allowed for high school attendance," said Principal Hammond. "They also provide for the forming of a county or union, or joint district Junior College, in case a community may wish it. At present there are twenty-four Junior colleges in the state, with a prospect of several more next year, inasmuch as the movement is proving a success in all ways and is being encouraged by the universities. Both of these are fair, just, and needed measures."

About Text Books
"The matter of text books is again before the legislators. Although there has been much discussion of the subject and the danger of uniform state-printed text books have been pointed out to the legislators, there is a possibility of our having some very unsatisfactory legislation on the question. The subject of 'free and uniform text books' seems to make a deep impression on the popular mind. The last session of the legislature appointed a joint committee to consider text books. It is to be hoped that Senate bill 157 and Assembly bill 1154, which contain in substance the recommendation of this committee, will pass."

"Bills have been introduced at this session which aim to affect through the public schools, a man-power contribution to state and national preparedness. Measures of this character are seen in the Luce (Senate 599) and Prendergrast (Assembly 890) bills, providing for physical education and in the bills which provide for military training. The physical education measure seems to aim at highly constructive, broad legislation, whereas the military bills are contrary to the best thought and practice of the time. The problem of the correct physical education of every boy and girl is a vital one, and there is no short cut to its solution. In relation to those of adolescent age, it rests totally upon compliance with the laws of health, growth and development and not upon compliance with military expediency."

Backs Luce Bill
"Foreign nations long ago discarded the training of school boys in military science. The Luce bill as it has been amended seems to be the most satisfactory measure providing for compulsory physical training. It requires that all pupils enrolled in ele-

PIMPY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

mentary schools take 20 minutes of physical training a day, and those in high school two hours each week.

"It has been rumored that an attempt will be made to secure amendments to the teachers' retirement salary act, at this session as follows:

"To provide that \$12 per year be collected from each teacher in one payment.

"That the minimum age of retirement be 55 years.

"That twenty instead of fifteen years of the required certain years of service must have been in California.

"That the term of service which will permit retirement for disability be raised from fifteen to twenty years."

Desirable Economy
"The first of these proposals aims at a highly desirable economy of administration. The other, however, can be justified only on the assumption that the present law is too liberal to be consistent with sound, public policies, or that the fund provided is inadequate. No facts are known to justify these assumptions, and until actualy have carefully studied the matter, it would seem unwise to undertake any modification of the present law. Assembly bill 836, providing for an official and secret ballot for the election of school trustees, and Senate bill 326, known as Commissioner Snyder's vocational bill, are both meritorious measures.

"Senate bills 710 and 711 provide for an appropriation of \$25,000 for a branch of the extension division of the University of California in Los Angeles, and for an appropriation of \$10,000 for the establishment of a summer session in Santa Monica in 1918. The 8000 teachers in the south could be more effectively served by a summer session in the south. Approximately 1000 persons from Southern California attend at Berkeley every summer. There is no doubt that there is a real need for a summer session in Southern California."

AMUSEMENTS

AT THE TEMPLE TONIGHT

—This pretty playhouse offers an entire change of bill tonight, the picture part of the programme featuring the popular matinee idol Mr. Wilfred Lucas, in the Triangle Fine Arts production, "A Love Sublime." This is a picturization of Samuel Adams Hopkins' story "Orpheus," which aroused so much interest when it appeared in Collier's Weekly, a few months ago.

Wilfred Lucas plays the principal role and, together with Tod Browning, is responsible for the direction. The story has to do with a Greek immigrant of Herculean build, who works in a steel mill. He falls in love with a French waitress of unusual beauty, but the girl refuses to marry him because she has heart trouble. She goes to New York and is taken to a hospital for treatment. Her lover, typified by Lucas, follows. While searching for the girl Lucas attracts the attention of a woman sculptor, who sees in him the ideal model for a statue she is doing. This leads to many unusual complications, and, like the Orpheus of mythology, Lucas is forced to go through hades to rescue his Eurydice, the particular brimstone region in the story being the lowest strata of New York's east side. Carmel Myers plays the leading feminine role opposite Lucas and is said to have justified the fondest hopes of her directors.

The Athos Company, who have become great Temple favorites, will put on the sensational comedy melodrama, "The Convict's Daughter," a striking and interesting play, built around the wrongs of circumstantial evidence. This is a condensed version of the play of the same name that created such a furore when it was produced in New York a short time ago. A special scenic environment has been given it for the Santa Ana production, and it promises to create a mild sensation.—Adv.

Mary Pickford Tomorrow

Beginning tomorrow, Clune's Theater will present the world's most popular screen star, Mary Pickford, in her latest subject, "A Poor Little Rich Girl," adapted from the well-known Eleanor Gates' story and play of the same name.

A tale of particular heart appeal throughout, offering many smiles and situations of humane charm and interest, "A Poor Little Rich Girl" affords the incomparable Mary Pickford a screen play which allows the foremost motion picture favorite ample opportunity to portray touching situations as only she can.

In addition to its other merits, "A Poor Little Rich Girl" offers rare opportunities for artistic effects. The limitations of visualizing the story, which were placed on the stage production and which are readily evident to the many thousands who have read the novel or seen the play, have been removed through the possibilities of the screen, and it is generally felt that although the success of both the book and the play has been great, the subject as presented on the screen with Mary Pickford in the title role, will only now actually come into its own.

Princess

A New York critic and famous journalist who for a long time represented one of the foremost daily papers in the metropolis, says that "Ghosts," the five-part Mutual Masterpiece based on Ibsen's play and starring Henry B. Walthall, establishes forever the supremacy of the moving picture over the spoken drama.

"I was amazed," he said after viewing the Ibsen drama. "I have seen Ibsen played by the Russians and Norwegians. I have heard 'Ghosts' acted in English, but I can say frankly that I have never seen a performance of an Ibsen play even approaching in power and conclusive dramatic effect this picture version. I could not believe that Ibsen, the conversational dramatist, could be a picture possibility. Any one who has watched an Ibsen play realizes how little action there is, how completely the story depends upon the staccato interchange of conversation. A sentence spoken in the first act bears fruit in the last. Yet it has been done. The picture is far greater than the play."

It is destined to cause a far greater stir than was ever effected by "Damaged Goods," according to those who have seen the picture. "I urge my congregation and all I come in contact with to see it," said a prominent clergyman the other day. "Damaged Goods" is sickled over by the pale cast of thought in comparison with it. It

In all baking it is important "how much" flour, and just as important "what" flour. Though the quantity of flour varies, the brand never should, for there is one flour adapted for all baking—the flour produced in a California mill for California homes—GLOBE A-1 FLOUR.

The woman who makes a "business" of housekeeping, and who "knows" flour, is quick to see the many advantages of baking with GLOBE A-1.

May We Send You Household Helps FREE

Published every two months, an eight page bulletin, 9x6 inches. A breezy little publication containing recipes, suggestions and editorials that are sure to be a help.

In each issue nine cash prizes are awarded for best recipes sent in, first prize being \$10.00. Any one may send in recipes, and Household Helps will be mailed free to anyone sending in the coupon. You may also send the name of a friend or two if you like.

This little publication is read by more than forty thousand women who are interested in good housekeeping.
